SC QUARTERBACK CLUB

The **SC Quarterback Club** is an athletic team support group comprised of former players, parents of current players, faculty and staff, and Builder football fans located locally and nationally. The purpose of the Quarterback Club is to contribute to the development and maintenance of a **highly successful football program** at Southwestern College. SC Quarterback Club members strive to achieve the following goals:

Raise money for special projects and services for the football program and staff, which are not typically provided for in the annual athletic budget;

Sponsor and conduct activities which foster a positive football family atmosphere and spirit; and

Ensure good communication and exchange of information between the football staff and its core group of supporters.

SC Quarterback Club activities provide a tangible and consistent way to **focus fan enthusiasm** and support into specific initiatives to benefit the football program. The SC Quarterback Club also supports the coaching staff in the organization and promotion of the football program, and sponsors events throughout the football season and the rest of the year that contribute to **building football spirit** within the community and beyond. The SC Quarterback Club takes great pride in our community and student athletes and will work hard to assist wherever possible. We welcome and advocate community involvement and are grateful to any person, organization, and/or business that may aid in supporting our Southwestern Moundbuilders.
